Volunteer Hours Reporting Form

RSVP collects and documents the number of hours that each of our volunteers completes at his/her volunteer site. This data is used in many ways:

- 1) It verifies that the RSVP member has been actively volunteering,
- 2) It supports RSVP's application for federal, state and local funding,
- 3) It provides the non-profits that we serve with in-kind match when applying for federal funding,
- 4) It helps us promote volunteerism and acknowledge our volunteers' commitment to the community.

Please complete this form return it to RSVP by mail or email. Thank you!
